## Non Academic Support

### Brand Visibility and Marketing Support

For maximum outreach to the student population about the program in terms of awareness and admissions.

### Student and Parent Orientation

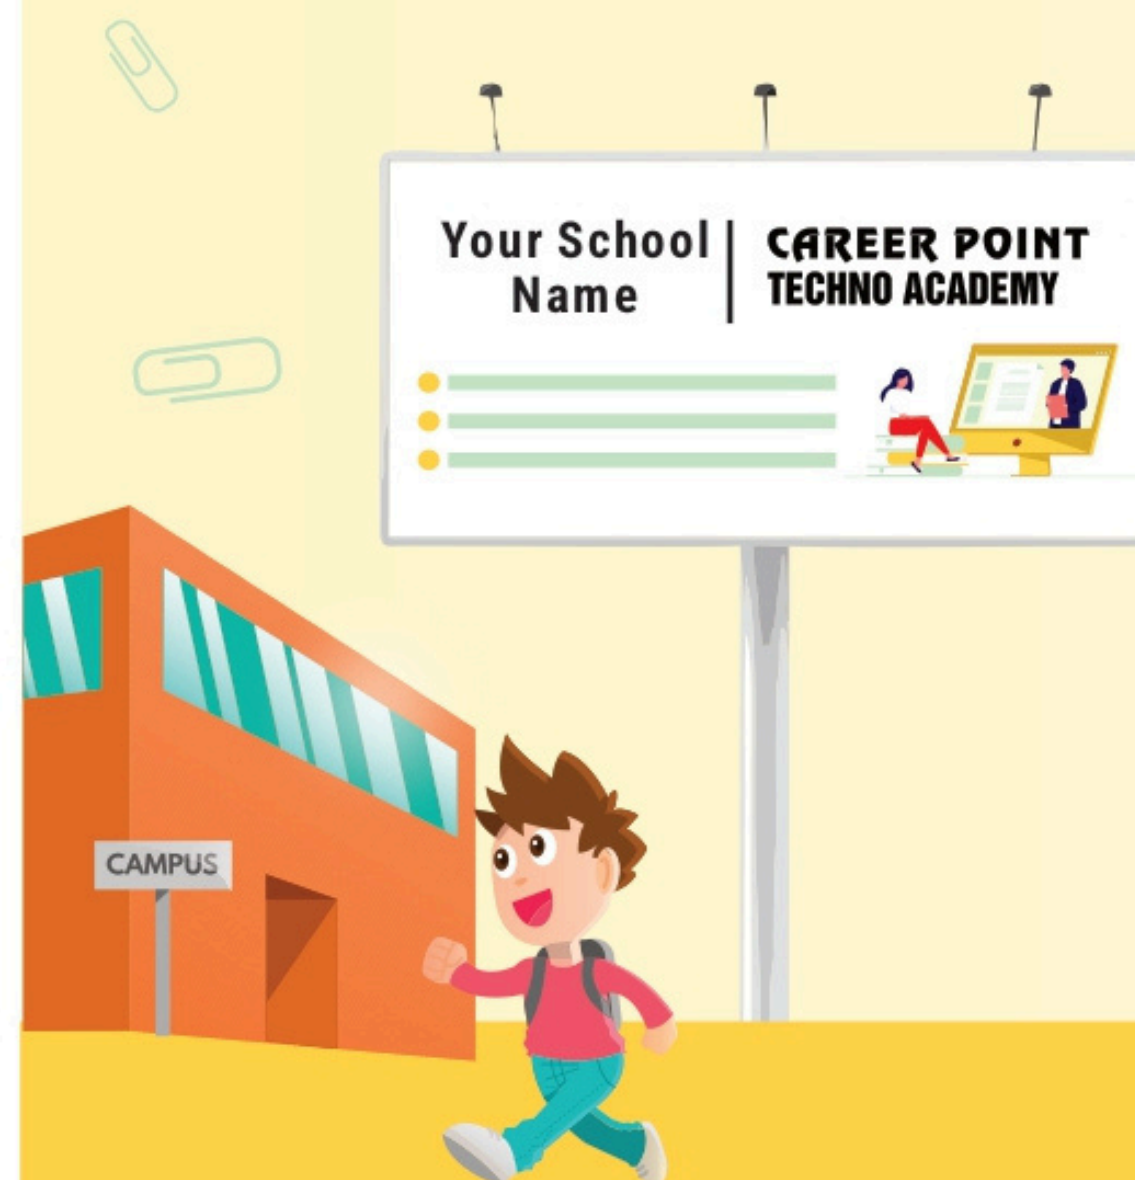

These orientation sessions are essential since the students are more likely to have a positive inclination towards the program when their parents or guardians are kept in the know as well.

### Teacher Orientation:

It is of the utmost importance that the teachers are familiar with technological upgradation for a smooth transition, hence the teacher orientation sessions.

### Scholarship Exam Conduction:

To generate curiosity and boost new admissions, we can conduct Scholarship Examination, which will also help in identifying and nurturing talented students.

## Academic Support

### Interactive Live Sessions by

#### Kota experts

Professionals from Kota with specialized training in competitive exam preparation lead classes for each subject, providing students with the expertise they need with an extensive syllabus coverage.

### 1:1 Doubt Solving Sessions

Allows students to seek clarification after school hours and during or after self-study, creating a dedicated time slot for addressing doubts.

### Minor, Major & Subjective Tests

Rigorous assessments taken in the form of minor and major test series- covering an array of subjects, chapters and topics in one go, which can be conducted online or offline.
